

## welcome

Welcome to our Church today. If you're visiting here are a few things you need to know. Firstly the toilets are just outside the hall. Also, please stay and join us for some food and drink after the service.

## salvos hampers

Thanks to all those who put together a Salvo's Christmas Hampers and to Brian Corben for organising it.

## stamps

Please save any stamps that come your way this Christmas. Cut around them 1-2cm. Also, save whole post-cards as well. Torn stamps or those with biro, texta or sticky tape are not suitable. Alison Lawrence will be collecting them to raise money for missions.

## carols, cake and coffee

Saturday 18th December 7:00pm at Wenty Presbyterian. A night to celebrate what Christmas is all about.
